Larry Dean is an award-winning comedian and writer.

Larry was crowned Scottish Comedian Of The Year when he was 23, and since then his star has continued to rise. His 2015 debut Edinburgh Fringe show **Out Now!** received widespread critical acclaim and a nomination for the Foster's Comedy Award for Best Newcomer. Larry brought the show for a run of packed-out performances at London's Soho Theatre and on to the Melbourne International Comedy Festival where he was one of the standout acts on the Allstars Supershow Opening Night Gala.

In 2016, Larry was invited to join the line up on **Laugh Out Loud with Kevin Hart** at the prestigious Montreal **Just For Laughs Comedy Festival**. He then returned to Edinburgh with **Farcissist**, for which he won the **Amused Moose Comedy Award for Best Show**. Larry subsequently took **Farcissist** on a UK-wide tour and for a run at the 2017 **Melbourne Comedy Festival**. **Fandan**, Larry's next show, enjoyed a sold-out run at the 2017 Edinburgh Fringe and became one of the British Comedy Guide's Top 10 Best Reviewed Shows. Larry also performed the show at **Christchurch Buskers Festival** and **Perth Fringeworld** in February 2018 ahead of a sold-out UK tour and a stint at the **Melbourne International Comedy Festival**.

Later in 2018, Larry took new show **Bampot** to the Edinburgh Fringe, receiving another raft of four and five star reviews and a nomination for Best Show in the Edinburgh Comedy Awards. **Bampot** then enjoyed a tour of packed out houses across the UK and Ireland.

Alongside his live work, Larry's broadcasting career continues to go from strength to strength. He has performed on BBC1's **Michael McIntyre's Big Show**, BBC2's **Live at the Apollo** and **Mock The Week** and Comedy Central UK's **Roast Battle**. Larry has also appeared twice on **BBC Presents: Best of the Edinburgh Festival**, performed stand-up on **Live From the Comedy Store** for Comedy Central UK and been on ITV2's **Elevenish** and BBC Radio 4's **Don't Make Me Laugh**.

A charismatic stand-up natural whose conversational style makes it all look so easy... a keen comic mind, crafting great linguistically tricky jokes in a show underpinned with long-distance callbacks that are genuinely creative, not just a cheap trick.
